

DWIGHT D. SMITH
Executive Vice President and Chief Information Officer

Dwight D. Smith is the executive vice president and chief information officer for Marriott Vacations Worldwide Corporation since 2011, and is a member of the company's executive committee. Mr. Smith joined the company in 1990 from Marriott International's former Roy Rogers division, where he served in a similar capacity. Prior to joining Marriott, Mr. Smith spent six years with the Washington, D.C. office of Andersen Consulting, where he was a manager in the Advanced Technology Group.

During his 27 year tenure with Marriott Vacations Worldwide Corporation, Mr. Smith has led his team through periods of significant business growth including expansion into multiple brands and globally into Europe, the Middle East and Asia.

In 2008, Mr. Smith was recognized in *Computer World* magazine as one of the Premier 100 IT Leaders. This acknowledgement was due to his focus on building business and information resources alignment around shared goals, which ultimately delivered globally integrated and agile technology solutions in support of all products, brands and markets.

He earned his degree from James Madison University (Harrisonburg, Va.) in the field of management and data processing.
