Marriott Vacations Worldwide Corporation Announces Increase of over 15 Percent to Quarterly Cash Dividend; Board also Approves Adoption of Calendar Fiscal Year Beginning in 2017

ORLANDO, Fla. – December 9, 2016 – Marriott Vacations Worldwide Corporation (NYSE: VAC) today announced its board of directors authorized a quarterly cash dividend of \$0.35 per share of common stock, an increase of 16.7 percent over the previous quarterly dividend of \$0.30 per share. The dividend is payable on January 4, 2017 to shareholders of record as of December 22, 2016.

“The over 15 percent increase in our dividend reflects our continued commitment to return capital to shareholders through a balanced approach of quarterly dividends and opportunistically buying back shares,” said Stephen P. Weisz, president and chief executive officer.

The Board also approved a resolution changing the company’s fiscal year to a calendar year-end beginning with 2017. The company believes these changes will allow the simplification of transaction and reporting processes to support future growth. The company will not restate historical results as a part of this change. The company’s fiscal year 2017 will begin on December 31, 2016 and will end on December 31, 2017.
